

Heligan Group Catering 2025

If you would like to include the cost of lunch or a cream tea within your booking, a variety of catering vouchers are available. The vouchers give your visitors flexibility to choose from our seasonal menu which includes vegetarian, vegan and gluten free options daily.

Outlets

Heligan Kitchen is situated close to the coach park and ticket office and is ideal to use either on arrival or prior to departure. The Stewards House is located midway within the gardens and a perfect spot to stop off part way through the visit, plus they offer a lighter menu. You can either specify a particular venue or, if you would prefer to give your guests the choice, we can arrange an 'open' voucher which can be used in either. The vouchers would be available to collect on arrival and will list the venue and items covered.
