

Weddings at *Heligan*

With more than 200 acres of gardens, woodland and estate to explore, Heligan is a place to slow down and enjoy time together.

Your guests will wander through our gardens to your exclusive wedding area. After the ceremony, there's time for drinks, photographs and conversation before everyone sits down to a delicious wedding breakfast.

Extraordinary setting

At the heart of your wedding, a luxury tipi offers a beautiful space for up to 80 guests, with plenty of room to make the day entirely your own. Its natural surroundings are a lovely starting point for your styling.

The gardens

Our gardens make a stunning backdrop for your wedding photographs and they're yours to use.

The atmospheric jungle, misty woodland, vibrant flower garden and quieter corners of the estate offer plenty of places to wander, with something different to discover wherever you go.

Make the space your own

Choose the flowers, music, stationery and little details that reflect the two of you and the things you love. Our wedding team will be on hand to bring it all together, so the finished day feels personal, relaxed and uniquely yours.
